

## **WIKILEAKS RAISES UFO AWARENESS**

Stephen Bassett is a UFO lobbyist from Washington D.C., who is executive director of the Paradigm Research Group. (PRG) With his permission we are showing their list of emails from wikileaks pertaining to the UFO phenomenon that he has sent to the Roundtown UFO Society. (RUFOS) To read the emails go to our website at [roundtownufosociety.com](http://roundtownufosociety.com). Mr. Bassett has been advocating UFO disclosure for over 20 years. He is able to do this because these emails are part of public record. They have not been covered by the major media for whatever reason. Well known people like former astronaut Edgar Mitchell and John Podesta who was Hillary Clinton's campaign manager, are included in the emails. If you want to find out more about Mr. Bassett just google his name on the internet.

Many people feel the subject of UFOs is taboo, but after reading these I feel they will have a different attitude. I just ask the people to have an open mind about UFO existence and "You Be The Judge" on all of the evidence.

Besides being Director of RUFOS I have been also a member of the Mutual UFO Network for many years with the headquarters now being in California. Their mission is the scientific study of UFOs for the benefit of humanity. The Mufon Journal has been delivered to the Circleville Library for the past several years because of RUFOS. It is at the magazine section. Several UFO sighting reports are included each month. Some are from out of the USA. RUFOS has existed since January, 1989. Also at the Pickaway County Visitors Center is a booklet detailing farmer Bruce Stevenson's UFO sighting of February, 1948. They were called flying saucers back then. I interviewed Mr. Stevenson for a school project, as a Senior at CHS in 1959.

RUFOS meets at the Circleville Library the 2nd Thursday of the month and the public meeting starts at 6:30p.m. February's meeting on the 9th the main topic will be about a police officer who had a dramatic UFO

sighting with other witnesses. This occurred in northern Ohio near Lake Erie in 1975. He may possibly be at the meeting. If you have had a recent sighting or even one in the past years you can report it to RUFOS by emailing it to [rufosreportingcenter@gmail.com](mailto:rufosreportingcenter@gmail.com).

Any comments about the UFO subject or of this article just email to [rufos@columbus.rr.com](mailto:rufos@columbus.rr.com) or send by mail to RUFOS, P.O. Box 52, Circleville, Ohio 43113. I would be happy to reply. If you want you can talk to me privately. There is a lot of UFO information on our website, [roundtownufosociety.com](http://roundtownufosociety.com)
