

ROUNDTOWN UFO SOCIETY
MONTHLY MEETING UPDATE
DECEMBER 2014

NEXT MUFON OF OHIO MEETING IS SCHEDULED FOR THE HILLIARD, OHIO LIBRARY ON WEDNESDAY, JANUARY 7TH. STATE DIRECTOR TOM WERTMAN WILL GO OVER THE LATEST INFORMATION ON UFOLOGY.

AT THE LATEST MEETING OF THE ROUNDTOWN UFO SOCIETY A PRESENTATION WAS GIVEN ON SOME VERY INTERESTING PHOTOS OF ORANGE ORBS OBSERVED OVER OR NEAR A HOUSE IN LICKING COUNTY, OHIO. FURTHER INVESTIGATION IS NEEDED, AS IT COULD TURN OUT TO BE A VERY IMPORTANT CASE. STAY TUNED.

AN INTERESTING COMMENT WAS MADE BY UFO INVESTIGATOR IRENA SCOTT IN THE LATEST MUFON OF OHIO NEWSLETTER. SHE STATED THAT THE GOVERNMENT GOT THEIR FIRST EXPLANATION FOR THE ROSEWELL CRASH IN JULY 1947 FROM A NEWS ARTICLE OF A BALLOON CRASH A FEW DAYS EARLIER AT CIRCLEVILLE, OHIO. (HOME OF RUFOS.)

RUFOS ENCOURAGES PEOPLE TO USE THE "UFO TALK ACROSS AMERICA" THEME. AN EXAMPLE IS THAT WHILE AT THE LOCAL AMERICAN LEGION POST THE DIRECTOR OF RUFOS MET A FELLOW VETERAN WHO HAD SERVED IN THE U.S. NAVY DURING THE VIETNAM WAR. WHEN ASKED WHAT SHIPS HE HAD SERVED ON, THE VETERAN MENTIONED THE USS FDR, AN AIRCRAFT CARRIER. HE ALSO STATED WHEN THE SUBJECT OF UFOS CAME UP THAT HE HAD KNOWN ABOUT THE SIGHTINGS OF UFOS OVER THE SHIP IN THE EARLIER YEARS BECAUSE IT WAS THE SCUTTLEBUTT ON BOARD. THIS HELPS CONFIRM WHAT HAS BEEN WRITTEN IN ARTICLES AND BOOKS ABOUT THE USS FDR. IT WAS VERY POSSIBLE BECAUSE OF THE UFO - NUCLEAR CONNECTION. THE SHIP WAS THE FIRST AIRCRAFT CARRIER TO CARRY NUCLEAR WEAPONS.

MUFON OF OHIO'S ANNUAL CONFERENCE WILL BE AT THE ASHLAND, OHIO SHERIFF'S ANNEX. IT WILL BE HELD ON JUNE 6, 2015. ONE OF THE CONFIRMED SPEAKERS WILL BE JAMES FOX. 2 OTHER SPEAKERS ARE BEING LINED UP. FOR THE PAST SEVERAL YEARS THIS CONFERENCE HAS BEEN VERY SUCCESSFUL IN EDUCATING THE PUBLIC ABOUT THE HISTORY AND LATEST ABOUT THE IMPORTANT SUBJECT OF UNIDENTIFIED FLYING OBJECTS.

MUFON'S UFO REPORTED SIGHTING STATISTICS FOR NOVEMBER - WORLDWIDE - 541; USA - 426; CANADA - 28; 41 COUNTRIES EXCLUDING RUSSIA; CALIFORNIA - 56; OHIO - 12; SPHERE - 88; DISC - 57; TRIANGLE - 56.
