

# **ROUNDTOWN UFO SOCIETY**

## **MEETING UPDATES**

### **SEPTEMBER 2015**

RUFOS HAD OUR ANNUAL MEETING/SKYWATCH THIS MONTH. IT IS THE 13TH STRAIGHT YEAR THAT WE MET AT SANDY BARTHELMAS'S FARM. THIS WAS THE SITE OF AMERICA'S 1ST CLASSIC CLOSE ENCOUNTER IN 1948 BY FARMER BRUCE STEVENSON. IT IS LOCATED JUST A COUPLE MILES FROM CIRCLEVILLE. IT WENT VERY WELL, AS WE HAD GUESTS FROM OUTSIDE THE AREA THAT TOLD OF THEIR UFO SIGHTINGS OR EXPERIENCES.

AT A RECENT MUFON OF OHIO MEETING WE LEARNED THAT BIGELOW AEROSPACE RECEIVES UFO REPORTS. JUST GOOGLE BIGELOW AEROSPACE AND UFOS AND IT VERIFIES THIS BY STATING ALL MUFON AND UFO DATA ARE NOW DEFERRED TO BIGELOW AEROSPACE. THESE SUPPOSEDLY INCLUDE ALL UFO SIGHTINGS FROM THE FAA. THIS IS VERY INTERESTING. DOES THIS INVOLVE REVERSE ENGINEERING?

SEPTEMBER MUFON JOURNAL IS TO LIST THE TOP 10 CASES FROM THEIR 2014 SCIENCE REVIEW BOARD. THESE WILL BE GONE OVER AT THE NEXT RUFOS MEETING IN OCTOBER.

MUFON SYMPOSIUM WILL BE IN IRVINE, CALIFORNIA FROM SEPTEMBER 25TH TO THE 27TH. ONE OF THE KEY SPEAKERS WILL BE CHERYL JONES, A CNN NEWS ANCHOR WHO WILL TALK ABOUT THE MEDIA EMBARGO ABOUT THE UFO SUBJECT.

STEPHEN BASSETT, WASHINGTON LOBBYIST, HAS TALKED ABOUT THE IMPORTANCE OF UFO NUCLEAR TAMPERING EVIDENCE; THE IMPLICATIONS OF FORMER ASTRONAUT EDGAR MITCHELL'S RECENT COMMENTS ABOUT UFOS; AND THE CURRENT POLITICAL LANDSCAPE FOR DISCLOSURE.

ON SEPTEMBER 24TH THE NEW MOVIE "TRAVIS" WILL BE SHOWN AT THE MUFON SYMPOSIUM. IT WILL BE A 90 MINUTE DOCUMENTARY.
