February 3, 2023

Greetings RUFOS members!

I wanted to share a couple of RUFOS updates of particular note this week.....and maybe a couple of other updates as well.

On Wednesday, February 1, the **Circleville Herald published an article from RUFOS founder Pete Hartinger** regarding the 75th anniversary of Circleville resident Bruce Stevenson's UFO sighting of 1948 and the relevance to a subsequently released US Air Force directive 3 days later in regard to UFO sightings. You can access the article at the following link:

And this coming Saturday, February 4, the **Circleville Chamber of Commerce is hosting a Meet and Greet event 11:00AM-3:00PM at the Zwicker House. RUFOS will have a display table** at the event which is promoting our group staffed by Pete Hartinger and Cameron Jones. You can read more about the event at the following links:

Next week, our regular **RUFOS monthly meeting will take place on Thursday, February 9** at the American Legion Post #134 in Circleville.

We'll send out a reminder beforehand with zoom links and additional information on recent events in the ufology realm.

Also, we'll soon start offering to open the zoom links to a wider public audience!

Here are a few updates of recent interest.....
