

CHRIS'S MESSAGE

FEBRUARY 2, 2024

Greetings friends and RUFOS members.....

I wanted to send out a note with a couple of topics....but it won't be too long.

First , I wanted to send reminder that the next monthly Roundtown UFO Society meeting will take place this coming Thursday, February 8 @6:00 PM at the American Legion Post #134 in Circleville, OH. Feel free to invite guests and bring friends to sit in. It's free and open to the public.

Second, I also wanted to share a bit of information about presentations being given by RUFOS members.

- **Cameron Jones** will provide a discussion on UFOs at the Loveland Frogman Festival on **Saturday, March 2.** (I don't have a specific time yet for Cameron's presentation.) You can obtain more information regarding the event at: <https://frogmanfestival.org/>
- I'm doing a talk on **Saturday, March 9, 1:00 PM** at Wagnalls Memorial Library in Lithopolis, Ohio on current developments in ufology. For more info: <https://wagnalls-oh.whofi.com/calendar/event/55499>
(NOTE: This was previously planned for February 3 but had to be rescheduled for March 9)
- **Kathleen Covalt** gave a presentation on January 27, 2024 during the Global Peace Tribe event entitled "Making Contact with our Galactic Family" on the New Realities youtube channel. The full program is available at: <https://www.youtube.com/watch?v=lbb7bLfoixQ>

I'll send out another reminder a couple of days before the meeting with some additional information on recent important developments.

Kind regards.....
