

# CHRIS'S MESSAGE

## FEBRUARY 11, 2025

Hi Everyone!

Welcome to frigid February and a happy valentine's day for everyone.

Friendly reminder.....

Our next **Roundtown UFO Society meeting will be held this Thursday, February @6:00 PM EST** at the American Legion Post #134 in the banquet room.

Address: 23363 US-23 S, Circleville, OH 43113

**Please feel free to join us and to invite guests!**

For our remote RUFOS members, we're planning to offer remote participation using zoom. We had an internet glitch at the beginning of the January's meeting but it seemed to work on the rest of the evening.

For non-members please get in touch with Chris Frantz, secretary to let her know you'd like to join!

**I don't have adequate words to express the overwhelming nature the last month has been in the UFO/UAP/NHI realm. The virtual firehose of articles, videos, witnesses, podcasts, new documentaries, controversy and attempts at public perception manipulation have been stunning. Wowza.....what a time....**

**I'm not going to go into great depth of articles given that the awesome publications below cover them extremely well and I highly recommend checking these sources regularly. With that said, here are a few items of particular note from the last month.**

**•Press Conference TODAY regarding new congressional task force on Governmental Transparency headed by Representatives Luna and Comey with stated planned initial hearing in March (yet to be scheduled). UFO/USO issues were specifically mentioned during this conference.**

- **Psionics is the word of the month and it's going to get a lot of attention. So many questions around this. It started with Ross Coulthart's interview of Jake Barber.** Many more related interviews/podcasts/discussions occurred afterward. I'm not going to show them all but you can search for them on the Newsnation website and a search engine. The Skywatcher psionics group started a youtube channel as well.
