

CHRIS'S MESSAGE APRIL 2025

Hi Everyone!

It's time for our April meeting and hopefully we have dispensed with the wintery weather that visited us again this morning.

Our next **Roundtown UFO Society meeting will be held this Thursday, April 10 @6:00 PM EST** at the American Legion Post #134 in the banquet room.

Address: 23363 US-23 S, Circleville, OH 43113

Please feel free to join us and to invite guests!

For our remote RUFOS members, we're planning to offer remote participation using zoom. (Kind offerings to the tech gods that our zoom meetings continue to go well.)

The zoom meeting invitation link has been sent to our members via email:

For the moment, I'm going to skip most of the current items of interest that I send out as I'm running very short on time this evening.

There is one that I'll mention. Today, April 7, the Skywatcher team, Jake Barber and his associates who claim the ability to bring in anomalous object using both mental (psionic) and technical capabilities are **supposed** to put out a new video today. They have formed a team that is going to document their progress on their project. (By the way, it appears that the Skywatcher team operate within a strict ethics code but I'm not sure of the related details yet. Ross Coulthart covered this previously in one of his recent Q&A sessions.)

Today I listened to the Jesse Michaels interview of Jake Barber. It was ~3.5 hours long and frankly it was worth every minute to listen.

We'll discuss the item above, a few interesting statements & info from a couple of recent events and many other topics at the meeting on Thursday.
