Please feel free to join us and to bring guests! Public and non-members are welcome!

IMPORTANT NOTE REGARDING A POTENTIAL RUFOS ZOOM MEETING FOR THURSDAY.....

As I began to compile this email last night, my PC started to behave badly. I don't know exactly what is going on yet but I'll explain why this is important.

There is a ***bunch*** of software on this PC that MUST run properly in order for the hybrid zoom meeting, the sound mixer, etc.

I'll have to send out an email as soon as I know whether I can get it working prosoftware gods be kind to us all. (Mail works but a number of other things like browsers aren't working.....essential to zoom, etc.)

Of course, we'll have numerous topics to cover and items of interest to share at the meeting on Thursday, but here are a few I wanted to put in email beforehand.

The list is going to be shorter than intended and without most links because of PC issues at the moment.

Here are a couple of notes relevant to RUFOS members:

- **IMPORTANT:** Please continue to send your healing intentions and kind prayers out for Timothy Varney! He is battling a serious infection after a heart transplant. For an update on his condition please search for "GoFundMe Tim Varney". An update was posted on May 3 regarding Tim's condition.
- The next RUFOS **SKYWATCH** gathering will be the evening of Friday, October 6! Put it in your calendar. Our skywatch last week was a wonderful evening at Canal Park with a lot of great discussion and a little skywatching as well. :D
- Please don't forget to subscribe to the Roundtown UFO Society twitter and FB feed if you're on social media. Updates can also be found the www.roundtownufosociety.com website!
