

CHRIS' MESSAGE

Greetings everyone!

Our monthly **Roundtown UFO Society meeting is coming up tomorrow, Thursday , June 9, starting 6:00 PM** at the Circleville American Legion Post #134 in the banquet room.

The address is 23363 US Route 23 S, Circleville OH 43113. We would love to have you join us!

We'll cover a number of recent developments including the rumored additional congressional hearings regarding the UFO/UAP/USO subject, new documentaries and released UAP videos and a variety of other recent news and historical accounts.

I also wanted to send out a reminder that our deadline for ordering **RUFOS T-shirts** is also tomorrow. If you would like to order, please read the information below: Our RUFOS member, Cameron Jones is kindly organizing an order of RUFOS T-Shirts.

Here's how they will look:

The back of the shirt has the RUFOS email address & twitter account printed as well.

The cost for the T-shirts is as follows:

Adult sizes S-XL: \$25

Adult size 2XL: \$27

Adult size 3XL: \$28

Adult size 4XL: \$29

The cutoff date for ordering is June 9 (the date of the next RUFOS meeting).

You can bring cash to the June meeting to order a shirt -OR- you can send a check/money order to the RUFOS PO box with the pertinent info.

Here's the ordering info below:

Please provide ALL of the following:

Quantity of shirts and needed sizes

Add additional \$10 for shipping up to 3 shirts

Shipping address (street address, city, state, zip)

Phone number (in case there are questions)

Check or money order for the total number of shirts PLUS shipping

The address to send the check/money order is as follows (Our RUFOS founder picks up mail at the PO Box):

Roundtown UFO Society

PO Box 52

Circleville OH 43113

Cameron is planning to bring the ordered shirts to the July RUFOS meeting for folks who would like to pick them up there.

If you cannot attend the JULY meeting, please also add the \$10 for the shipping so that we can ship to you.

A few pertinent notes.....

We might order again in the future but not sure when that might occur.

We are not ordering extra shirts to sell later (We don't have the \$\$ to do that.)

We can't personally deliver or allow order now/pay later option as we have to pay up front for the shirts.

We're not ordering other colors, styles etc because every additional option adds significantly to the cost of the entire order.

A sincere THANK YOU to Cameron and also John & Carol for their work to bring the T-shirt project to fruition!!

Here are a few interesting articles that have come up in the last couple of weeks:

Finally, I swear that we are still trying to get a tech setup for combined remote and in-person meetings....but it is complicated.

If you have experience with audio mixer software/hardware, please let me know as I could use some knowledge & experienced insight on the subject.

If I can get it working adequately on Thursday, I'll send out a zoom link for members.

Hope to see you at the meeting!
