

CHRIS'S MESSAGE

AUGUST 2024

Friendly Reminder re upcoming RUFOS meeting:

The **August Roundtown UFO Society meeting will be held this Thursday, August 8, 6:00 PM EDT at the American legion post #134** in Circleville, Ohio.

The address is: The address is: 23363 US-23 S, Circleville, OH 43113

Please feel free to join us and to invite guests!

Info and updates can be found on our Roundtown UFO Society twitter/X, Facebook and the www.roundtownufosociety.com website as well.

We're very happy to share that RUFOS founder, **Pete Hartinger** is planning to join us after a long absence! During this month's meeting, we're planning to take some photos of our group for the website. (That's just a hint in case you would like to wear something special for the photos. 😊) Oh on a related note, I think Pete is still having trouble with his email so if you're trying to contact him, you'll need to call him directly via phone.

For our remote RUFOS members, we're planning to offer remote participation using zoom. So far so good with the hybrid zoom meeting setup the last 3 months; may our future meetings go just as smoothly!

The zoom meeting invitation link has been emailed to members if you would like to join remotely:

For those who aren't members of RUFOS and would like to join, please contact Chris Frantz at cfrantz@outlook.com her cell at 614-701-7939

Here are a few items that I hope you'll find helpful and interesting:

- Attached below at the end of this email; there is an updated listing of upcoming events that might be of interest. There's still plenty of summer & fall events to entertain and educate coming up!
- Even though the congressional attempts to add UAP amendments to the 2025 NDAA were eventually dropped, Senators Rounds, Schumer and Gillibrand have re-introduced UAP amendments back into the NDAA for 2025. Will it succeed? We don't know especially given the crazy political environment we've seen as of late. Here's the latest article I've seen on the subject:

<https://www.liberationtimes.com/home/us-senators-push-again-for-groundbreaking-law-to-unveil-non-human-intelligence>

- In addition, Senators Warner and Rubio have introduced UAP revised language into the 2025 proposed IAA (Intelligence Authorization Act). Here's the latest I've seen on this topic:
<https://x.com/ddeanjohnson/status/1819023913587712368>
- Another independent piece of legislation introduced this year specific to aviation safety may not make it unless it is introduced as an independent bill and I don't think it has entirely been dropped yet. This is in regard to SAAA, Safe Airspace for Americans Act. See the following article from Ryan Graves:
<https://www.ryangraves.io/p/hopes-remain-for-uap-legislation>
- Might we have another UAP hearing being scheduled in the fall prompted by congressional UAP Caucus?:
<https://www.askapol.com/p/fall-ufo-hearing-with-new-female-chair>
- Ross Coulthart's Reality Check program on News Nation recently did an interview with Dr. Jim Segala regarding his research into anomalous phenomena particularly in Utah's Uinta Basin:

You can of course refer to media sources below for regular updates in the subject. They keep a great record of recent events:
