

Greetings everyone!

Our next **Roundtown UFO Society meeting** will be held this **Thursday, August 14 @6:00 PM EDT** at the American Legion Post #134 in the banquet room (the banquet room door is on the side of the building; it is well marked).  
Address: 23363 US-23 S, Circleville, OH 43113

**As always, please feel free to join us and to invite guests!**

This is a safe space for folks who would like to learn and share info about the anomalous realms of UFO/UAP/USOs, cryptozoological creatures, paranormal and other related topics. Attendees are welcome to share any experiences you would like but there is no pressure to do so either.

For our remote RUFOS members, we're planning to offer participation using zoom.....maybe. More details are included below on the issues we're experiencing with connectivity in green.

**Here's the zoom meeting invitation link if you would like to join remotely:**

**Topic: RUFOS Zoom Meeting**

**Join Zoom Meeting using the following link then follow the instructions:**

**TO JOIN IN WITH ZOOM, PLEASE CONTACT CHRIS FRANTZ:**

clfrantz@outlook.com

cell 614-701-7939

**NOTE: We are experiencing serious internet issues when we try to run our hybrid meetings over zoom and seems like it has become progressively worse over the past three months....no idea why. I need to work with Spectrum on behalf of the American Legion post in order to address the issue but was unavailable to do so in July. My apologies folks. This IS frustrating but I still need persons to try to join in order to gauge current/changing internet behavior issues. If I get to a point where we expect it to be significantly better, I'll certainly share.**

**A sampling of recent interesting articles is included below. We'll discuss some of these and others on Thursday:**

- Latest info regarding objects over Wright-Patterson AFB and related....a black cube over central Ohio?<https://www.theblackvault.com/documentarchive/faa-records-add-black-cube-sighting-to-wright-patterson-afb-drone-mystery/>
- Dr. Beatriz Villarroel and team have found evidence of a potential earth monitoring grid in pre-sputnik Palomar Observatory sky survey astronomy plates.....and they've produced a pre-print paper on this data:

## Upcoming events:

- **Delaware State Park CE5 Event - August 16**

RUFOS member Ed Copley has shared that on Saturday, August 16, the Ohio CE-5 group will hold an event at Delaware State Park, just north of Columbus Ohio, and he would like to invite anyone interested to attend. The group will meet at 8:00PM, will then have a short time for fellowship in the parking lot and set up the meeting area, with sunset occurring at about 8:25PM. There will be a meditation at which time we reach out to our alien friends and invite them to come join us. Please let Ed and/or the Ohio CE-5 group (FB) know if you are interested in attending so they will have an idea of how many will be there. If you can't make the meeting but interested in more information, please feel free to message Ed at his email address: [ed.copley@gmail.com](mailto:ed.copley@gmail.com)

- Also CE5 monthly events occur the first Saturday of each month.

Please see the links below for more information and you can contact Ed Copley (email address above) if more info/insight is needed.
