

CHRIS'S MESSAGE

SEPTEMBER 6, 2025

I'm sending out the RUFOS meeting notice early since I'm out of town and may not be able to send out a reminder next week while I'm on the road.

Our next **Roundtown UFO Society meeting** will be held **NEXT Thursday, September 11 @6:00 PM EDT** at the American Legion Post #134 in the banquet room (the banquet room door is on the side of the building; it is well marked).
Address: 23363 US-23 S, Circleville, OH 43113

As always, please feel free to join us and to invite guests!

This is a safe space for folks who would like to learn and share info about the anomalous realms of UFO/UAP/USOs, cryptozoological creatures, paranormal and other related topics. Attendees are welcome to share any experiences you would like but there is no pressure to do so either.

For our remote RUFOS members, we're planning to offer participation using zoom.....and we have hope that it will run well without "drop-outs". Ed Copley has kindly volunteered to run the equipment for the hybrid meeting while I'm out of town. For reasons we don't understand yet, the zoom meeting ran perfectly last month. The only real change is that we eliminated one camera view in the banquet room. Maybe that was enough? We'll try it again.

Here's the zoom meeting invitation link if you would like to join remotely:

Important Note About October Meeting: We may be having a skywatch in October in lieu of a regular meeting. Stay tuned.....

A sampling of recent items I found interesting are included below. You can be certain there will be tons more to cover before the meeting next week.

- I thought this upcoming conference on consciousness looks incredible interesting.

There are some big names coming together for this one:

Nanobiosym Global Summit 2.0:Quantum Convergence

October 11-12 at MIT/Harvard

<https://nanobiosym-summit.webflow.io/>

- In theory, there is still supposed to be a UAP/UFO congressional hearing on September 9 with at least three witnesses taking the stand...under oath. The catch is that it is NOT yet showing on the congressional oversight committee's calendar. Is it in danger of being postponed (again)

or perhaps even cancelled??

<https://oversight.house.gov/calendar>

•In addition to Senators Schumer, Rounds, Gillibrand reintroducing UAP NDAA amendments for 2026, Congressman Burlison has also reintroduced the UAP NDAA amendments into congressional review as well. I'm not personally sure how/when the two versions are rectified between the house and senate but you can be sure we'll hear more as this moves forward:

<https://burlison.house.gov/media/press-releases/rep-burlison-introduces-uap-disclosure-act-2025-amendment-ndaa>

•I found this encouraging but it isn't clear whether there can be any legal action taken against these groups who are manipulating wikipedia articles on ANY anomalous subject in such an egregious and disingenuous manner.

Upcoming events:

- CE5 monthly events occur the first Saturday of each month.
