

CHRIS'S MESSAGE

SEPTEMBER 2024

The next Roundtown UFO Society meeting will be held **Thursday, September 12, 6:00 PM EDT at the American legion post #134 in Circleville, Ohio.**

The address is: The address is: 23363 US-23 S, Circleville, OH 43113
Please feel free to join us and to invite guests!

Info and updates can be found on our Roundtown UFO Society twitter/X, Facebook and the www.roundtownufosociety.com website as well.

The September meeting will be in-person only as I am unavailable to setup the equipment for the remote access via zoom.

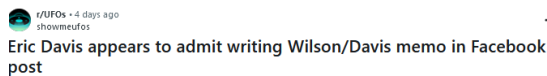

Next month, we're planning our annual skywatch meeting at Canal Park in Circleville on the evening of October 10 in lieu of our regular formal meeting. We have permission to use the park after dark and we'll do a potluck event similar to years past. More details to come on this later but we wanted to let everyone know well ahead of the event. (And we did check to assure that Pumpkin Show is NOT that same week.)

Here are a few items that I hope you'll find helpful and interesting:

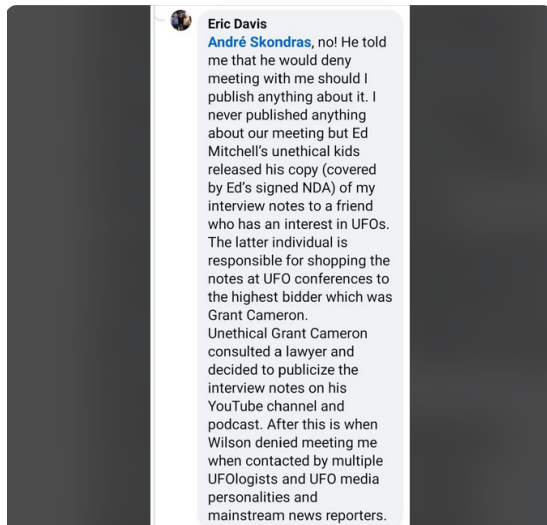

- If you've been away from media for the last 2 weeks, you might want to know about the release of Luis Elizondo's book "Imminent" on August 20. The book is available in hard copy and audio form on several platforms. It's getting a ton of attention and just made #1 on the New York Times best seller list. This highly anticipated book is an extremely interesting look inside the AATIP program and subsequent events:

- With the release of "Imminent", there is a flurry of associated publicity and interviews. You can find many others with a quick web search including a variety of discussions, debates and roundtable discussions, but these are the most prominent IMHO:

 - <https://www.youtube.com/watch?v=9gLPrwXgCM>
- It is interesting that Elizondo has also recently launched his own website, a youtube channel and an associated UAP-disclosure website in close succession:
 - <https://www.uapdisclosurefund.org/> (Sign their petition!)
 - <https://luiselizondo-official.com/>
 - <https://www.youtube.com/@LuisElizondoOfficial> (not much here yet tho)
- It is critical WE TAKE ACTION TO SUPPORT the UAP DISCLOSURE AMENDMENT PROPOSALS submitted for inclusion into the 2024 version of the NDAA and IAA. **PLEASE WRITE YOUR CONGRESSPERSONS AND SENATORS AND REQUEST THAT THE PROPOSED UAP LEGISLATION BE**

APPROVED WITH THEIR SUPPORT. Without our action, this issue is likely to be ignored especially in a chaotic election year. The following websites make it easy to take action:

- <https://declassifyuap.org/action/>
- <https://www.uapcaucus.com/>
- <https://newparadigmstitute.org/take-action/>
- A study of UFO/UAP off the coast of New York's Long Island and the associated results was just released and it isn't getting the coverage it deserves:
 - <https://www.scirp.org/journal/paperinformation?paperid=135539>
 - <https://www.youtube.com/watch?v=DyXOdNandc4>
- Dr. Eric W. Davis recently put the following statement on X/Twitter and was picked up and copied onto reddit. Extremely interesting that it appears he is admitting that HE WROTE THE WILSON/DAVIS notes!

- Matt Ford's recent podcast detailing the relationship of the PEAD (Presidential Emergency Action Documents) to the UAP/UFO/USO topic is extremely interesting:

- Kevin Randall shared info regarding the appointment of AARO's new leader:

- Trailer for James Foxx's upcoming documentary was posted on X/Twitter:
