

CHRIS'S MESSAGE

October 12, 2022

Greetings Everyone!

The next Roundtown UFO Society meeting will be this coming **Thursday, October 13th at 6:00 PM at the American Legion Post#134 Circleville** location.

The address is: 23363 US-23 S, Circleville, OH 43113

For this meeting, we're going to also run a zoom call to allow members to participate remotely for the first time. We won't offer this to non-members yet because I'm pretty sure that we're still going to be working out the kinks for a hybrid meeting.

So please, please, please be patient with us....it's the first attempt and I'm sure we're going to run into some issues. Sound might be an issue. We weren't sure we were going to be able to do this yet as we've had some technical issues with the big TV over the past month that required major electronics surgery, but it's repaired and seems to be working well again.

So, here's the zoom meeting invitation if you are interested in joining us remotely. This is the same RUFOS zoom meeting invitation we'll use on an ongoing basis so you might want to save the invitation for future meetings as well.

Topic: RUFOS Zoom Meeting (perpetual)

Join Zoom Meeting using the following link then follow the instructions:

<https://us02web.zoom.us/j/88534808991?pwd=KytUaFpvTWVLR2lRxBkZmQzZStmdz09>

Meeting ID: 885 3480 8991

Passcode: 625408

Suggestion: If you're not familiar with zoom, please try it beforehand as we will not be able to assist with issues near/at/during the meeting itself.

Here a few additional items that we wanted to share before the meeting:

- We were all saddened to learn of the passing of a friend and member of RUFOS. Judge Mike Daugherty of Wilmington passed away unexpectedly on September 8. Our kind condolences to Mike's family and friends.
- The next batch of T-shirts have arrived! For those who requested that they be mailed, they will go out late next week (~Oct 20).
- RUFOS member Camille Harris, is hosting a CE-5 event at her property (near New Vienna Ohio) on the evening of **Saturday, October 15** and is graciously inviting RUFOS members to participate. You don't have to be experienced in the protocols in order to participate. If you're interested, please contact Camille her email address (camille29alexis@hotmail.com) for specific details. CE-5 is short for "close encounter of the fifth kind". This is the attempt to initiate contact with non-human intelligence through meditation practices. You can learn more on the Facebook Ohio CE5 group, the CE5 app for smart phones or through the website: <https://ce5groupfinder.com/options.html>

- RUFOS Member Kathleen Covalt has a number of upcoming courses available that are available to RUFOS members regarding ufology and a wide array of additional topics. Her next offering Please see her website for additional details: <https://pureenergylady.wixsite.com/presentations/upcomingevents> Kathleen has both online and in-person courses available.....some are free of charge. Thank you for Kathleen for offering so many wonderful opportunities to RUFOS members!
- The 2023 International MUFON Symposium will be held the last weekend of August 24-27, 2023 in Covington, KY (greater Cincinnati area). The event organizers need volunteers for the event. I'll let folks know what are the volunteer benefits in our next meeting.
- RUFOS Director Pete Hartinger will be bringing some of his books to the meeting and will be available for purchase. They are also available on Amazon.com. Just search for "UFO Disclosure Continues".
- Chris Parsons, RUFOS member, Motivational Speaker and UFO/Paranormal Researcher will be presenting at the South Parkersburg Public Library at 1807 Blizzard Drive in Parkersburg, West Virginia on October 22, 2022, at 12:30pm. Chris has been studying the phenomena of UFOs since the 1970s. He will talk about his first UFO experience and how that sighting has shaped his life. His presentation will focus on the history of the subject of UFOs starting with the famous Roswell crash in 1947. He will cover some of the most prominent well-researched cases of the decades and tie that into the current state of UFO transparency that has been building in recent years. A Q&A discussion will follow his UFO presentation where everyone will be encouraged to share their experiences, ask questions, and speculate on the vast implications of the UFO phenomena.

Articles and Media:

The **BIG** news over the last month in the ufology realm fell into two main areas:

- The "saucer" logo appears on an official military website for US Aviation Intelligence Office, then was removed three days later much to our disappointment:

- The Wilson/Davis notes "Leak Of The Century" document and narrative has **NEW** additional verification from multiple sources including Oke Shannon, Jack Houck's and Oke Shannon's notes from the Advanced Theoretical Physics Working Group run by Dr. John Alexander: Grant Cameron, Melinda Leslie are heavily involved in these as they were the persons who had the notes from Jack Houck and Oke Shannon. Also involved heavily involved is Jay Anderson from Project Unity who was able to obtain consent for an interview of Oke Shannon.

Standard disclaimer applies: I’m just sharing the links. They aren’t necessarily the opinion of myself or other RUFOS folks.

There’s a ton more but it’s late and dreamland awaits.

Kind regards.....
