

Greetings everyone!

Our next **Roundtown UFO Society meeting** will be held this **Thursday, December 11 @6:00 PM EST** at the American Legion Post #134 in the banquet room (the banquet room door is on the side of the building; it is well marked).

**Address:** 23363 US-23 S, Circleville, OH 43113

**Please feel free to join us and to invite guests!**

We discuss numerous anomalous topics.....UFOs/UAP/USOs, cryptids, strange phenomenon, etc.

Attendees are welcome to share experiences if desired but it is completely voluntary.....no pressure.

One of the things we've decided to do is have presentations during some of the meetings covering a variety of subjects.

**This month, our RUFOS leader Cameron Jones will provide his presentation on Mothman and surrounding events!**

**Then in February, RUFOS member Kathleen Covalt will provide her presentation on The Watchers!**

(Kathleen has a number of classes, presentations and discussion groups as well as a variety of services available. Take a look at her website for upcoming

events: <https://pureenergykathleen.wixsite.com/presentations/about>)

If you have an area of particular interest and expertise and would like to do a 30-40 minute presentation at one of our future meetings, please let Cameron or myself know and we'll consider the possibility. Or, if there is a particular presenter and/or topic where you would like to hear more, please let us know also. (But please keep in mind that we really can't pay anyone....RUFOS doesn't have any funds but doesn't charge.)

**For our remote RUFOS members, we're planning to offer participation using zoom.**

**So far so good with the internet connection and the big TV! May the tech gods continue their blessings upon us. 😊**

**If you would like to participate remotely and are not yet a RUFOS member, please contact me by email (listed below) or contact RUFOS through our general email account ([roundtownufo@gmail.com](mailto:roundtownufo@gmail.com)) to request access.**

The BIG news over the last month has primarily revolved around the released documentary "Age Of Disclosure" and the myriad of news articles, podcasts, print pieces, disinformation and skeptic pieces and so much speculation on what it means, whether the political powers will comment further and what may or may not will come next.

In addition, David Paulides documentary "American Sasquatch: Man, Myth or Monster" was released last week. This film is also interesting and controversial even among the cryptid community.....yet extremely interesting leading the viewer to speculate whether there are more connections that some might believe are possible. George Knapp and Jeremy Corbell covered this quite notably in their latest version of "Weaponized" available

Both documentaries are available on Amazon Prime and an immense amount of related media on both are available by doing a basic search in a web browser, on youtube or on your favorite podcast platform.

We'll have these and plenty more to cover next Thursday.....

I have to keep this short today but here's an additional paper that I found particularly interesting:
