

ROUNDTOWN UFO SOCIETY
MONTHLY MEETING UPDATES
APRIL 2017

MUFON ESTIMATES THAT ABOUT 30% OF UFO REPORTS THEY RECEIVE REPRESENT GOOD SOLID CASES WHICH THEY BELIEVE IS THE BEST EVIDENCE WE HAVE FOR EXTRATERRESTRIAL LIFE BEING HERE ON OUR PLANET.

STANTON FRIEDMAN STATES THAT EARTH IS THE SOLAR SYSTEM'S DENSEST PLANET AND WOULD HAVE MORE VERY DENSE ELEMENTS THAN ANY OF OUR NEIGHBORING PLANETS. THAT WOULD INCLUDE URANIUM, OSMIUM, RHENIUM, PLATINUM, IRIDIUM, TUNGSTEN, ETC. THEY MAY HAVE BEEN MINING OUR RESOURCES FOR MILLENNIA.

THE CHILEAN GOVERNMENT HAS SHOCKINGLY STATED THAT SOME UFOs ARE REAL AND MAY POSE A THREAT TO AIR SAFETY OPERATIONS; THAT'S WHY THEY SHOULD BE INVESTIGATED OFFICIALLY, NOT ONLY IN CHILE, BUT THROUGHOUT THE WORLD.

THE FOLLOWING STATEMENTS WERE COMPILED AND AUTHORED BY KERRY McCLURE, MUFON SPECIAL ASSIGNMENT TEAM CORRESPONDENT. "THE PROPER STUDY OF THE UFO PHENOMENON HAS NEVER BEEN DONE BEFORE. THE USAF'S ATTEMPT WITH PROJECT BLUE BOOK WAS NOT SUCCESSFUL BECAUSE THEIR MAIN CONCERN WAS RELATED TO NATIONAL SECURITY INTERESTS AND NOT IN TO UNDERSTAND THE UFO PHENOMENON ITSELF. THE CHILEAN AND FRENCH PROGRAMS ALLOW FOR SHARING OF INFORMATION BETWEEN THEIR MILITARY GROUPS AND THEIR GOVERNMENT SPONSORED UFO INVESTIGATIVE GROUPS. THIS IS THE FIRST STEP BECAUSE IT PUTS INFORMATION IN THE HANDS OF THE RESEARCHERS.

UFOs WERE SPOTTED FROM THE SPACEX SATELLITE. THE LIVE FEED WAS CUT, AS SOON AS IT APPEARED FOR A FEW SECONDS.

HERE IS A QUOTE THAT COULD PERTAIN TO THE UFO SUBJECT: "SOME PEOPLE GET IT IN THEIR HEADS THAT THINGS ARE A CERTAIN WAY BECAUSE THEY'VE KNOWN IT THAT WAY FOR SUCH A LONG TIME, AND THERE IS NO CONVINCING THEM THAT IT MIGHT BE ANY OTHER WAY DIFFERENT."
