

ROUNDTOWN UFO SOCIETY
MONTHLY MEETING UPDATE
December 2020

Update for RUFOS Director Pete Hartinger and his wife Patty and their fight with Covid-19:

Since Pete and his wife Patty came down with Covid-19 and we've stopped having our "in-person" meetings, we were wanting to keep folks updated with how they are doing.

At this time Pete said that he is doing and that his wife Patty had to return to the hospital for closer monitoring but was expecting her to return home soon.

Healing thoughts and prayers from members, followers, and visitors would be a wonderful gift for them.

We'll continue to provide updates on a monthly basis until we can get back to our normal meetings and updates.
