

# **ROUNDTOWN UFO SOCIETY**

## **MONTHLY MEETING UPDATES**

### **OCTOBER 2019**

ROB SWIATEK, UFOLOGIST, HAS STATED DOCUMENTS DATED FROM 1947 AND 1948 STATE THAT U.S. AIR FORCE GENERALS TWINING AND SAMFORD STATED THAT UNKNOWNNS WERE OUT THERE. THESE STATEMENTS HAVE BEEN OVERLOOKED BY THE MEDIA AND SCIENTISTS.

YOU HAVE TO ADMIT THAT IF YOU THINK THERE IS INTELLIGENT LIFE IN THE UNIVERSE, THEN SOME HAVE TO HAVE INTERSTELLER TRAVEL ALSO. (THUS UFOS)

RETIRED LT. COL. ROBERT FRIEND, WHO ONCE HEADED PROJECT BLUE BOOK AT WRIGHT PATTERSON AFB, MADE THIS STATEMENT IN 2012. HE THOUGHT THE PROBABILITY OF LIFE IN THE BIG COSMOS WAS ABSOLUTELY OUT OF THIS WORLD. HE SAID HE TWICE RECOMMENDED THAT A FEDERAL AGENCY OUTSIDE OF THE MILITARY TAKE ON THE STUDY OF UFOS. LT. COL. FRIEND HAS RECENTLY PASSED AWAY.

MUFON HAS CALLED ON ALL SCIENTISTS AND ENGINEERS TO HELP ANSWER SOME OF THESE QUESTIONS: IS FASTER-THAN-LIGHT SPEED FOR AN OBJECT POSSIBLE? HOW CAN AN OBJECT SILENTLY LEVITATE WITH NO APPARENT POWER SOURCE? HOW CAN AN OBJECT CAUSE ENGINES TO QUIT AND THEN RESTART WHEN THEY LEAVE? HOW WOULD UNDENIABLE EVIDENCE OF EXTRATERRESTRIAL LIFE AFFECT CHRISTIANITY? JUDAISM? ISLAM? NO ENTITY HAS EVER BEEN OBSERVED EATING OR DRINKING. IF THERE IS NO SUCH INTAKE, WHAT ARE THE BIOLOGICAL IMPLICATIONS?

PAUL STONEHILL SPOKE AT THE RECENT MUFON SYMPOSIUM ABOUT RUSSIAN UFO EVENTS BEFORE 1917. HE ALSO TOLD ABOUT THE BOLSHEVIKS' UFO EXPERIENCES AND SOVIET VIEWPOINTS CONCERNING UFOS OVER WWII BATTLEFIELDS. THEN IN 2007, SOVIET SEAMEN HAD ENCOUNTERS WITH

OBJECTS THAT WOULD FLY OVER THEIR SHIPS AND DESCEND UNDERWATER.

THE U.S. NAVY HAS CONFIRMED THAT THE MUCH DISCUSSED TWO UFO VIDEOS THAT APPEARED ONLINE AT THE END OF 2017 AND IN EARLY 2018 ARE GENUINE AND THAT THE FOOTAGE SHOWS WHAT THEY CONSIDER TO BE "UNIDENTIFIED AERIAL PHENOMENA."

CHINA'S LUNAR ROVER DISCOVERED MYSTERIOUS SUBSTANCE ON THE MOON'S FAR SIDE. MANY PEOPLE PROBABLY DIDN'T REALIZE THE CHINESE LANDED A ROVER ON THE MOON, LET ALONE THE FAR SIDE.

INTERESTINGLY, RUSSIA HAS CONTINUED SPACE COOPERATION WITH NASA DESPITE POLITICAL TENSION, SAYS A RUSSIAN SCIENTIST.
