

**ROUNDTOWN UFO SOCIETY
MONTHLY MEETING UPDATE
OCTOBER 2020**

RECENTLY THE JAPANESE MINISTRY OF DEFENSE ANNOUNCED THEY HAVE ISSUED NEWLY-CREATED UFO SIGHTING INSTRUCTIONS TO THEIR PILOTS. THIS INDICATES THAT OTHER COUNTRIES BESIDES THE UNITED STATES ARE TAKING THIS SUBJECT SERIOUSLY.

A POSSIBLE SIGN OF LIFE HAS BEEN DETECTED IN THE ATMOSPHERE OF VENUS. IN WHAT MAY TURN OUT TO BE A LANDMARK DISCOVERY ASTRONOMERS HAVE DETECTED A STRANGE CHEMICAL IN THE ATMOSPHERE WHICH COULD BE A SIGN OF ALIEN LIFE.

THE NEW FILM "[THE PHENOMENON](#)" HAS BEEN RELEASED TO THE PUBLIC. THE PRODUCER JAMES FOX HAS BEEN WORKING ON THIS FOR SEVERAL YEARS. IT IS ALREADY BEING CONSIDERED ONE OF THE BEST UFO DOCUMENTARIES OF ALL TIME. JUST GOOGLE THE TITLE ON THE INTERNET TO GET THE TRAILER. IT WAS ALREADY SHOWN AT THE RUFOS MEETING ON OCTOBER 8TH. SEVERAL IMPORTANT GOVERNMENT AND MILITARY PEOPLE HAVE MADE VERY POSITIVE STATEMENTS ON THE EXISTENCE OF UFOS.

AN ARTICLE ABOUT THE ROUNDTOWN UFO SOCIETY IS TO APPEAR IN A FUTURE "SOUTHEAST OHIO" MAGAZINE. THE WRITER CONTACTED US AND HE INTERVIEWED THE 3 FOUNDING MEMBERS. RUFOS HAS BEEN IN EXISTENCE SINCE JANUARY, 1989!
