

ROUNDTOWN UFO SOCIETY
MONTHLY MEETING UPDATES
SEPTEMBER 2018

IRENA SCOTT'S BOOK, "INSIDE THE LIGHTNING BALL - SCIENTIFIC STUDY OF LIFELONG EXPERIENCES" IS A DETAILED RESEARCH ON THE SUBJECT OF UFOS.

"OPERATION BLUE BOOK" EVENT IS OCCURRING ON SEPTEMBER 21ST TO 23RD AT THE GE TESTING OPERATIONS AREA NEAR PEEBLES, OHIO. IT IS CALLED THE INTERNATIONAL DAY OF PEACE THAT IS CLOSE TO SERPENT MOUND.

MUFON HAS STARTED PUBLISHING THE ANNUAL UFO CASES OF INTEREST. THEY LISTED THE BEST 200 TO 300 CASES FOR 2017. OF THEM UFOS WERE SEEN UNDER 100 FEET IN 12 PERCENT OF THE CASES. MOST UFOS REMAIN SILENT.

WITNESS IN INDIANA OBSERVED A TRIANGLE SHAPED OBJECT THAT PRODUCED A JET ENGINE NOISE. HE THINKS THE OBJECT PRODUCED THIS NOISE TO MAKE THE WITNESS THINK THIS WAS AN AIRCRAFT.

STANTON FRIEDMAN, FAMED UFOLOGIST, STATES THAT SETI IN THE FIRST PLACE STATES THERE IS NO EVIDENCE THAT WE HAVE RECEIVED ANY SIGNALS FROM ALIENS, BUT HE SAID THERE IS PLENTY THAT THEY HAVE BEEN VISITING FOR A LONG TIME. SETI WOULD BE OUT OF A JOB IF THEY ACKNOWLEDGED THEIR EXISTENCE.

THERE IS A NEW GROUP CONDUCTING FRESH SCIENTIFIC STUDIES AT THE FAMED SKINWALKER RANCH IN UTAH. HOPEFULLY, THE PUBLIC WILL HEAR ABOUT ANY NEW FINDINGS.

THE NICAP RESEARCH GROUP, HEADED BY FRANCIS RIDGE OF INDIANA, IS LISTING MANY UFO CASES FROM YEARS PAST. THE DIRECTOR OF RUFOS RECEIVES THE LIST.

THERE WAS RECENTLY A HISTORY CHANNEL PRESENTATION ABOUT ANCIENT ALIENS IN EGYPT. IT WAS TITLED "ANCIENT ALIENS DECLASSIFIED". IT

INCLUDED A MYSTERY VOID FOUND IN THE GREAT PYRAMID OF GIZA; EDGAR CAYCE'S PREDICTION OF RECORDS UNDERNEATH THE PAW OF THE SPHINX; AND ANCIENT PEOPLE BUILT STRUCTURES THAT HIGH TECH MACHINERY WOULD NEED TODAY. IT ALSO SHOWED 24 GIGANTIC COFFINS UNDER A HUGE STRUCTURE. EACH WEIGHED 100 TONS. 23 WERE FOUND EMPTY AND THE OTHER CONTAINED ANIMAL PARTS. OTHER BLOCKS WEIGHED OVER 100 TONS. THEY ASKED HOW WAS ALL OF THIS DONE AND WHY? THEY BELIEVE THERE ARE MORE ANCIENT SITES UNDERNEATH THE SAND THAT WILL BE DISCOVERED BY MODERN TECHNOLOGY.
