

ROUNDTOWN UFO SOCIETY

MONTHLY MEETING UPDATES

SEPTEMBER 2019

THE ANNUAL MUFON OF OHIO CONFERENCE WAS HELD ON AUGUST 17 NEAR BELLVILLE, OHIO. IT WAS ANNOUNCED THAT THE NEW PROJECT BLUE BOOK TV SERIES IS DUE OUT IN JANUARY 2020. IN ONE VERY INTERESTING REPORT WAS WHERE A HOUSE APPEARED IN AN EMPTY FIELD WITH A UFO OBSERVED BEHIND IT. DID THIS INVOLVE ANOTHER DIMENSION OR A PROJECTION IMAGE?

SEVERAL MEMBERS OF RUFOS ARE ALSO MEMBERS OF THE WORLDWIDE MUTUAL UFO NETWORK (MUFON). MUFON RECEIVED A REPORT OF A LOW FLYING TRIANGLE BEING OBSERVED OVER THE PHILLIPINES.

ANOTHER INTERESTING SIGHTING WAS OF A NEBRASKA WITNESS REPORTING MISSING TIME AFTER A UFO ENCOUNTER.

MUFON HAD 7,665 CASE REPORTS IN 2018. THAT WAS MORE THAN 600 REPORTS A MONTH. 5.160 OF THEM OCCURRED IN THE UNITED STATES. REMEMBER THESE ARE JUST THE REPORTED SIGHTINGS. UFOLOGISTS KNOW THAT MANY ARE NEVER REPORTED PUBLICLY.

THESE ARE REPORTED PATTERNS OF UFOS: IT SEEMS LIKE NO TWO UFOS ARE IDENTICAL. DESPITE SHAPE AND SIZE, THE OBJECT CAN MOVE GREAT DISTANCES IN VERY SHORT TIME SPANS, CAN STOP ON A DIME, HOVER IN PLACE AND ALL OF THE ABOVE WITHOUT MAKING A SOUND. WITNESSES REPORT ELECTRICAL FAILURES AT THE GROUND LEVEL, DRAINED BATTERIES, RADIO INTERFERENCE, REDUCING THE CHANCE OF GOOD, HIGH DEFINITION PHOTOGRAPHY. SOMETIMES THE GROUND EFFECTS ARE WEIRDER. SOME WITNESSES REPORT LOSS OF TIME, DISORIENTATION, AN AWARENESS OF THE TOTAL LACK OF NATURAL SOUND, OR SITUATIONS WHERE OTHER PEOPLE AROUND DO NOT SEEM TO AWARE OF THE OBJECT.

NEW GALLUP POLL FINDS 68% OF AMERICANS BELIEVE THERE IS A UFO COVERUP.

CONGRESSMAN MARK WALKER OF NORTH CAROLINA SAID A FULL INVESTIGATION OF UFO REPORTS IS VITAL TO OUR NATIONAL SECURITY.
